

Alexandria Gazette.

TUESDAY EVENING, MAY 31.

NARROW ESCAPE.—A most miraculous escape from death was made in Richmond yesterday. Richard Williams, a young man living in Manchester, took his wife to the station of the Coast line, just opposite the city, to get on the train for Petersburg. The train, he learned, would not stop for him there, and leaving his wife hurried over the long bridge to board it in Richmond and stop it for his wife in Manchester. He was too late and met the train on the bridge. He tried to jump upon the platform but was knocked over the railing of the bridge and went down sixty feet into the water. A number of persons witnessed the accident with horror, supposing the man was instantly killed, but his feet touched bottom first, and he is apparently not injured unless internally. A boat was hurried into the stream and he was rescued.

RAID ON ILLICIT DISTILLERS.—Deputy Collector R. G. Penn, of Stuart, made a successful raid upon a moonshiner operating a whiskey distillery in the neighborhood of Shooting creek, Franklin county, last week. The distillery was set up in the front yard of the mansion and about 1,500 gallons of beer and two stills were destroyed. There were no casualties, but there might have been some had the deputy tarried long, as the madam had blown the horn for reinforcements and the "shooting-creekers" are clanish. A gallop in the mountains these fine days is a healthy exercise, but when attended by the chance of a pop at you by a "riflemen hid in the thicket," excuse us.—*Danville Register.*

Delicate diseases of either sex, however, induced, radically cured. Address, with 10 cents in stamps for book, World's Dispensary Medical Association, Buffalo, N. Y.

ADVICE TO MOTHERS.
Mrs. WINSLOW'S SOOTHING SYRUP, for children teething, is the prescription of one of the best female nurses and physicians in the United States, and has been used for forty years with never-failing success by millions of mothers for their children. During the process of teething its value is incalculable. It relieves the child from pain, cures dysentery and diarrhoea, griping in the bowels, and wind-colic. By giving health to the child it rests the mother. Price 25 cents a bottle. *mvs-171 M.W.E.S.*
